

## **Reading a Magazine Article**

Find an article on the internet using one of the sites given in the lesson description. Answer the questions below to help you organize your own article.

### **Step 1: Summarize**

*Briefly summarize the article you read.*

### **Step 2: Organization**

*How is this article structured? What order is it written in?*

### **Step 3: Visuals**

*Does your article include any visual supports?*

### **Step 4: Point of View**

*Find 5 words in the article that give you a hint about the author's point of view.*

### **Step 5: Critique**

*After reading the article, what would you have done differently? What would you have changed? Why?*
