

THE SHOOTING STAR

WHERE EVERYONE IS A STAR

Volleyball Finals

Last weekend, our boys' volleyball team participated in the regional tournament. They played against twelve other teams and took second place.

The team captain, Garrett Jones, said: "We all played hard and showed great teamwork. Each team member gave it his all. We had a lot of fun!" Their coach, Mrs. Smith, was very proud of the students' positive attitude and team spirit. Congratulations guys!

JOKE OF THE WEEK

Why did the dinosaur cross the street?

Because chickens hadn't evolved yet!

Winter Carnival

Last week, students enjoyed participating in a week-long winter carnival. Every day offered the opportunity for a new and fun activity. The carnival started on Monday with opening ceremonies in the school gymnasium. Each class presented its group flag. Throughout the week, students skated at the neighbourhood ice rink, slid down the school hill and played hockey. The week ended on Friday afternoon with a pep rally and hot chocolate. What a great week!
